

1

Print this page in ACTUAL SIZE or choose the SCALE 100%.

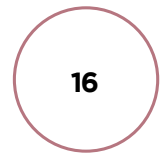

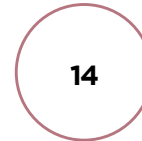

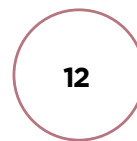

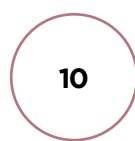

2

Make sure that on your printed page this square measures 3x3 cm exactly.

3

Take one of the rings you own, which you consider is your size, and place it over the following circles to see where it fits:

15,9 mm
DIAMETER

EU: 50
UK: J-K
US: 5^{1/2}

16,6 mm
DIAMETER

EU: 52
UK: L-L^{1/2}
US: 5-6^{1/2}

17,2 mm
DIAMETER

EU: 54
UK: M^{1/2}-N^{1/2}
US: 7

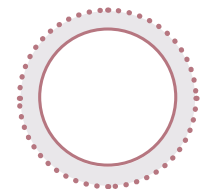

17,8 mm
DIAMETER

EU: 56
UK: O-P
US: 7^{1/2}-8

4

The interior edge of your ring must fit exactly with the outer perimeter of the printed circle.

 Your ring

FAQ

If you are still in doubt, you can measure the interior diameter of your ring and compare it to the exact measurements of our sizes (shown in millimeters).

If your ring is in between 2 sizes, we recommend you to choose the largest.
